

machCon GmbH is a moderately growing consulting company that advises national and international large and medium-sized customers in diverse industries.

We are currently looking for a

Junior Consultant (m/f) in the field of Business Intelligence

Your tasks

- You support our consultants and team leaders in demanding and diverse customer projects in the field of Business Intelligence.
 - You play a part in contributing to cutting-edge projects, you analyze existing business processes and support the introduction of new processes and systems.
 - You take first responsibility in the contact with our customers regarding the machCon GmbH consulting service.
 - In the first few months of your job you are trained by us or our partners - including the relevant certificates.
-

Your profile

- You have completed a higher education (university) in a technical or business discipline or you have an equivalent vocational training.
 - Ideally, you already have first knowledge and experience in the field of Business Intelligence.
 - You are able to use the knowledge - you have acquired during your studies - target-oriented in everyday consulting business.
 - You take pleasure in advising clients, you like to travel and with your appearance you communicate safety and competence.
 - You proceed methodically and you have good conceptual and analytical skills - furthermore you are learning quickly.
 - You are characterized by a high level of commitment and willingness to learn and have fun working autonomously on new issues.
 - You share our values such as commitment, openness and integrity.
 - You are fluent in German and English.
-

We offer

- Varied consulting activities in an interesting environment and international clients with strategically related client projects.
- The ability to evolve and take first responsibility.
- A professional consulting environment with a young, highly motivated team in a moderately growing company.
- Above average training opportunities, performance-based compensation, and extensive additional services.

Do not miss your chance.
We look forward to receiving your application via e-mail to contact@machcon.ch.
